

Dear sir/ Madam,

I am happy to inform you that our institute is going to organize an **International Conference on Current Trends in Advanced Materials and their Applications for Societal Development (ICTAMASD-2022)** scheduled to be held at **Department of Physics, Dr. Harisingh Gour University (A central University), Sagar (MP) India** during **March 8-10, 2022**. The **ICTAMASD-2022** aims to provide a platform to students, researchers, academicians, scientists and industry professionals to discuss and share thoughts and ideas. The event provides an exposure to the well established research fields, research experiences of renowned researchers, Academicians and Scientists, difficulties and solutions of present and future problems of the society. The following research areas are included for the papers/abstracts:

THRUST AREAS

- Eco-friendly and Energy materials,
- Electronic, Photonic, and Magnetic Materials
- Organic, hybrid and composite materials
- Bio and pharmaceutical materials,
- Theoretical and Computational material science

Last date for Abstract submission is 28, February 2022.

Register:

<https://docs.google.com/forms/d/e/1FAIpQLSdxJ9Y8qSemhGFGypVfuxtczlOAQc3LSoUAnZCMATaLIEUbjg/viewform>

Send your abstract in pdf format to ictamasd22@gmail.com.

All accepted papers for ‘**ICTAMASD-2022**’ will undergo a blind review process by the Review Committee of the ‘**ICTAMASD-2022**’. All the accepted manuscripts which are registered, peer reviewed, plagiarism checked and presented during the conference shall be published in the AIP/Materials Today Conference proceedings.

As we all are aware of COVID pandemic situations, the **ICTAMASD-2022** is a **virtual conference that will be conducted in Online Mode.**

I request you to circulate this call for papers to your research circle and academic community who may be benefited.

Stay healthy and stay safe and be benefited with lectures of **renowned Professors/Scientists** under the umbrella of **International Conference on “Current Trends in Advanced Materials and Their Application for Societal Development”** during **8-10 March 2022.**

With best regards,

Dr. Rekha Garg Solanki

Convener, ICTAMASD-2022
